

INT. TROUSERS MEOWSERS MEGACOASTER

ASH

I had to squeeze through a gap in the fence to get into Fancyland. But Ralph would've been brought here via the tunnels.
The vampire scare scene music is *just* loud enough to be heard inside the Megacoaster. Wow, this ride is BIG. I think this is the door to the staff room...

Opens door...

EVERYONE

Oh!

RALPH

Ash? You found me!

ASH

(confused) Ralph!?

RALPH

Although Davina found me first!

ASH

Davina... why are you here? And Simone? Grog? Paul? Walter? The scary nurse? It's everyone from my suspect list!?

DAVINA

(mutters) Oh, that's a coincidence.

ASH

Will someone tell me what's going on??

RALPH

Davina burst in ten minutes ago and untied me. Then this lot arrived.

SIMONE

I got a note telling me to come here.

GROG

Me too.

EVERYONE

And me.

DAVINA

Yeah, that was Parker. He sent the notes... on my instruction.

EVERYONE

Huh? Why?

DAVINA

Ever since I found out Ralph was missing, I've been running my own investigation. Once we realised where Ralph was being held, I had the idea to bring you all here... to reveal the culprit!

EVERYONE

Ohhh!

DAVINA

Although I didn't expect Ash to burst in at the last minute. No offence love, I didn't think you'd figure anything out.

ASH

Oi! Co.

SIMONE

So who did it, Davina? Who kidnapped Ralph?

DAVINA

Good question! One I do not have the answer to. Yeah, sorry. I thought once I saw you all gathered in one place, I'd get, like, a flash of inspiration. But no... nothing. So! Over to you, Ash! Hopefully you've got some ideas. What do you think? Who are you gonna accuse?
